

“Sledgehammer Pulling” Sled Rental Agreement

1. The person who transports the sled, the sled operator, and crew members receives free admission with no charge for gate fees.
2. Sled owner(s) shall not be held responsible in any way for injuries to any puller, spectator and or damage(s) or breakage of parts to any pulling vehicle.
3. For safety reasons and for clear visibility of pulling vehicles to the sled operator, the sled will not be operated under severe dusty track conditions. Therefore, the track must be watered down to prevent dust before and if needed, during the pull (between classes).
4. The sled, weighing scales and measuring device will be provided by Sledgehammer pulling at the pull site(s), Help will be provided by the pull site crew or pullers to set up and load all equipment before and after the pull.
5. The pull site crew shall provide the necessary equipment (blade-off tractor, footage markers, out of bounds striping, and Announcer) and the crew to operate the equipment to keep the track conditions properly maintained. Pull site crew shall flag the pulling vehicles, hook/unhook the pulling vehicles.
6. All pulling vehicles must have at least a 1-½” hole, opening for the hook.
7. For safety reasons, all pulling vehicles must have wheelie bars.
8. The spectators shall remain at a safe distance a minimum of 15 feet from the track, with a barrier positioned no less than 10 feet from the boundary lines on either side of the track.
